

# SUMMER CAMPS

## Summer & Science Camps

### A fun and immersive English Day Camp

Our annual Summer Camp welcomes children ages 5 to 14 from around the world, both from EJM or other schools.

We offer a wide variety of activities in English, making the Day Camp a fun and immersive learning experience.

The activities are all run by mother tongue English speakers.

The teachers are, from the most part, teachers from the school or from the Afterschool program. The Counselors are university students and generally EJM alumni.
